Botvinnik's Best Games

by Alexander Khalifman (11 June 2025)

Mikhail Botvinnik is widely regarded as one of the greatest chess players ever. He was the World Chess Champion from 1948 until 1963, with two short interruptions. For this modern biography, the Russian grandmaster Alexander Khalifman has selected and annotated more than fifty of Botvinnik's best games.

Mastering Chess Defence

by Johan Hellsten (25 June 2025)

All chess players know that they need to study tactics, calculation, and openings, but when it comes to defence, far too many wait until they're under pressure. The truth is that more games are lost because of defensive mistakes than strategic ones. *Mastering Chess Defence* offers the training you need to be prepared and defend.

Ulf - The Attacker!

by Thomas Engqvist (25 June 2025)

Swedish chess legend Ulf Andersson was a positional genius with a crystal-clear style. The former world number 4 rarely lost a game and consistently scored victories from quiet positions. But he could also be a fierce attacker. This book offers 56 thrilling games, both entertaining and instructive.
