100 Endgame Studies You Must Know

by Jan Timman

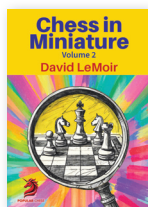

Timman presents one-hundred of the greatest ever endgame studies, based on their instructiveness for practical players as well as their beauty. Prepare to be dazzled by the myriad possibilities of chess and inspired to add a dose of magic to your endgame play!

Chess in Miniature 1

by David LeMoir

Brilliant games don't need to be long. This first volume reveals the key **secrets** behind sparkling miniatures, showing how tactical awareness, bold sacrifices and queen activity combine to create dazzling short victories that both entertain and instruct.

Chess in Miniature 2

by David LeMoir

The adventure continues with the next set of **secrets** to producing unforgettable miniatures. From exploiting weaknesses to delivering elegant finishes, the second volume concludes LeMoir's splendid guide to crafting short masterpieces.
